VICE CHANCELLOR MESSAGE

Jamia Millia Islamia is sailing across its hundredth year of journey that started in 1920 when anti colonial activism 'Khilafat Movement' and Pro Independent aspirations 'Non Cooperation movement' gravitated together and led to birth of Jamia Millia Islamia. The university has kept manifesting its legacy of national movements whenever nation faced crisis. Since its establishment, Jamia marches ahead to attain its mission through a goal of blending contemporary knowledge with skills and values in true spirit to groom high caliber thinkers; morally upright and physically sound citizenry inspired with proactive approach to take up challenges confronting the present society and prove productive individuals in ever changing knowledge society with a factor of care.

JMI has become an ensemble of a multilayered educational system which covers all aspects of schooling, under-graduate, post-graduate, Ph.D. and post-doctoral education. With 9 faculties of learning, 39 teaching and research departments, over 30 centres of learning and research, 190 courses, approximately 800 faculty members and more than 20000 students we attract brightest young minds from all over the country. They use creative space of JMI to actualize their potential. JMI today holds the torch of illumination giving shape to ideas and fostering innovation. Living up to the promises of the founding fathers, we strive to realize our vision "to create a human universe that offers inclusiveness, equity, fellowship, justice and peace for one and all".

During prevailing Pandemic Covid-19 situation, JMI could be able to establish Online Automation system for students related affairs. This resulted in the regular engagement of teachers and students through online mode of teaching and learning process. The staff of the Office of the Controller of Examinations also worked hard for timely conduct of examinations and declaration of the results which made our students eligible for getting job opportunities at National and International level. Apart from this, the interested students got their admission in higher studies in the reputed National/ International Institutions.

JMI in its 100th year has been ranked as best Indian Central University by the Ministry of Education in the list of 40 central universities. JMI is placed at 10th in the universities category Ranking of NIRF.

I would like to congratulate Deans of Faculties, Directors of the Centers, Head of Departments, Faculty members, all stake-holders of JMI, the members of prospectus committee, on their successful preparation and launch of the Prospectus for the academic session 2021-22.

I wish that Jamia Millia Islamia is able to attract promising students from every nook and corner of India and abroad and offer them even better facilities. May JMI prove to be a platform for the young talent to show their mettle and excel in every sphere of life and their firm faith in self-reliance, determination and integrity.

ABOUT JAMIA MILLIA ISLAMIA

1. Establishment

Jamia Millia Islamia, a Public Central University established in 1920, originally at Aligarh in United Provinces. It was initially moved to Karol Bagh in 1925, Delhi and later built up in Jamia Nagar. In 1988, it became Central University by an Act of Parliament, since then expanding in different directions achieving the new dimensions.

The University is the result of the tireless efforts of its founders, such as Shaikhul Hind Maulana Mahmud Hasan, Maulana Muhammad Ali Jauhar, Hakim Ajmal Khan, Dr. Mukhtar Ahmad Ansari, Abdul Majeed Khwaja and Dr. Zakir Husain. It symbolizes the unflinching and resolute commitment of these great visionaries in bringing about socio-economic transformation of common masses in general and Muslims in particular through the vehicle of education. The distinct identity of Jamia Millia Islamia has been eloquently explicated by Dr. Zakir Husain.

Jamia Millia Islamia is basically originated as the movement of a struggle for education and cultural renaissance against the colonial regime and evolves a national culture for common Indian. Its foundation is to promote patriotism and national integration among Indians, who will be proud to take part in the future progress of India, which will play its part in the comity of nations for peace and development and to prepare the children of masses in general and Muslims in particular to be the masters of the future in different subjects/disciplines of their choice.

The mission of the founding fathers of this great institution should not only serve as a beacon light for all the stakeholders, but should also inspire all in making this university as one of the premier institutions of higher learning in the world. Significance of the Logo

Right on the top is a star with the inscription - Allah-O-Akbar. When in dark nights poor travelers have to travel jungles and there is no one to show them the way, they chart their course with the help of stars. The star of Allah-O-Akbar is the guiding star of Jamia. Its eyes are fixed on this star which shows it the path in the darkling world. It reflects the truth that Allah is the greatest and he who bows his head before Him only, discovers the truth. Having bowed before Him, how can the head bow before anything else? Beneath this glittering star is a book with the inscription, *Allammal Insaana Maalam Yalam* (Taught man that which he knew not). This is a verse from the Holy Quran. Through the Holy Quran, Allah has revealed His Will to His differences of caste, class, colour, of master and slave, and became true to His tenets. This book led from darkness to light, and placed the wayward and lost on the Straight Path. The Prophet made an example of his own life. By the light of his eyes and the warmth of his heart, He prepared a group of good persons who cleaned the world of evil and spread the Word of God. On both sides of the Book are two date trees typical of the land where God's last Prophet was born. They are symbolic of the barren valley in which nothing grew; but it was there that the sapling of din took root. These trees are emblems of hope from a land in which not a leaf or flower could sprout; but wherein suddenly the springs of hidaya (guidance) burst forth and drenched the communities of the heart. They are a source of consolation for people who became disheartened with adverse circumstances. Why do external factors make them lose hope?

At the very bottom is a tiny crescent which reads - *Jamia Millia Islamia* in Arabic. This crescent is small but just as it expands to become the full moon on the fourteenth night, so also Jamia. Meaning that this is the beginning of our work. It will expand to become the full moon and a source of delight for the eve of its beholder.

Choice Based Credit System

Jamia Millia Islamia has introduced Choice Based Credit System (CBCS) at both Undergraduate and Postgraduate levels with effect from the session 2015-2016. This system is intended to provide students a wide diversity of subjects from which they can choose what they really like and have aptitude for, apart from the core subject they have chosen. The flexibility inherent in the system will allow students to acquire a rounded personality by choosing subjects across disciplines and mediums. The University would like to encourage interdisciplinary among students in their studies and research. To facilitate this, a cumulative list of courses that will run under CBCS is being provided. Students are advised to go through the list carefully so that they can make an informed choice. Course Advisors in all departments may be contacted for advice or any other help related to the CBCS. List of program advisors is available [here](#).
